is provided with a bottle of "Mother's Friend."

If more convenient get a bottle on your way home. Remember that many of our most valuable aids to health and comfort and safety are only such when our knowledge of them is put into action. Begin early to suggest its use and "Mother's Friend" will soon become one of the most helpful influences ever devised for avoiding much of the discussion included the tress incident to coming motherhood.

The directions are simple. Get it at any drug store it is applied by the expectant mother herself, it penetrates deeply and affords quick and splendid relief in a most gratifying manner and reflects a physical betterment to the nervous disposition of the baby. Don't fail to get a bottle of "Mother's Friend" today and then write Bradfield Regulator Co., 712 Lamar Bidg. Atlants, Ga., for a pretty little book brimful of information for expectant mothers. It is a delight to read it.
